

Belief-Driven Success (Educational DVD for \$49.00)

with Patrick Donadio, MBA, Business Coach & Speaker

Learn practical techniques to upgrade your beliefs and boost performance to achieve even greater success.

Did you know there is a direct correlation between our beliefs and the results in our life?

Every day the thoughts/beliefs we possess about our self and our abilities drive our behaviors and results. The good news is we can learn how to upgrade our beliefs to achieve even greater success.

This Live "DVD", with 16 chapters, will jump start you on your journey to even greater success. In 60 minutes, Patrick Donadio, Certified Speaking Professional (CSP) & Master Certified Coach (MCC), will show you how to change your beliefs about success and begin to create even greater results in your life.

This upbeat program was uniquely designed to help you learn practical techniques. Discover:

- How to proactively create your future success
- The number one roadblock to success
- The secret to changing your behaviors to achieve greater results
- 5 ways to develop the courage to face change
- How to turn every mistake into a "learning opportunity"
- Why nothing changes until you change
